

Empingham Men's Shed

The 'Men's Shed' is a group who meet monthly in the Cricket & Social Club in Empingham for informal talks, discussions and to plan visits – over a pint (or a coffee).

The Shed' is open to all - regardless of age, background or ability, although it is primarily aimed at men who have retired or are winding down their careers.

It provides us with an opportunity to share our knowledge, interests and stories with others, to apply these to the benefit of the village community, and in doing so to develop new friendships.

The Men's Shed helps keep its members physically, mentally and socially active, and to make Empingham a special community.

Although our discussions and talks are our primary activities, more recently members of the Men's Shed have created project teams working on practical projects. We have created a life-size nativity tableau, which has become a regular feature in the village throughout December.

Our wood-working group make and sell a range of useful objects - bird boxes, boot jacks, wooden games etc., while another group is currently in the process of creating a visual display of the history of Empingham.

New members are always welcome. There is a small membership fee, but no agendas or minutes. Just come along – we usually meet at 7.30 on the last Tuesday of the month. Our meetings are advertised in the Parish Magazine.
